

**TECHNOSAFE**

# About us

**Technosafe Projects and Infrastructure involved in construction and maintenance of mobile communication towers for various passive infrastructure providers in telecom in Kerala. Since its inception in 2010, Technosafe has been a beacon of reliability and excellence in the realm of passive infrastructure provision for telecommunications. Nestled in the heart of Vellarikundu, Kasaragod District, Kerala, our journey has been one of steadfast commitment to delivering superior services to our esteemed clientele.**

Under the visionary leadership of Sumesh Babu, Technosafe has flourished, becoming synonymous with quality and efficiency in the construction and maintenance of mobile communication towers across the state. Each tower stands tall, a testament to our dedication to connecting communities and facilitating seamless communication. At Technosafe, we pride ourselves on our highly dedicated and qualified workforce, whose expertise ensures the timely execution of projects, no matter the scale or complexity. With a steadfast focus on customer satisfaction, we strive to exceed expectations, delivering solutions that not only meet but surpass industry standards.

**Vision** : our vision is to be the leading provider of innovative and sustainable infrastructure solutions in the telecommunications industry

**Mission** : Our mission at Technosafe is to design, construct, and maintain mobile communication towers with unparalleled precision and reliability, facilitating seamless connectivity for telecommunications providers across Kerala.
